

## Party Pack Guidelines

Thank you for borrowing one of our party packs! This collection of durable and reusable plates, bowls, cups and cutlery prevent the use of disposable plastic or paper tableware and helps to prevent waste and plastic pollution.

In order to extend the life of our party packs we ask you to abide by the following guidelines:

- Thoroughly wash and dry the party pack items after use. All items are dishwasher safe.
- Return each piece of the party pack. If any piece has gone missing, please make a member of Transition Linlithgow aware when you return the party pack.
- Do not let any of the party pack pieces come into contact with direct heat or use the cutlery for cooking purposes.

When you have finished with your party pack please return it in the box provided.

Thanks,

The Transition Linlithgow Team
